What our clients say about us ...

We selected Bobby because of his reputation for being the best salesman in Central Phoenix. We had used other realtors in the past, but wanted someone who had connections, knew the market, and could sell our unique home quickly. (No one wants their house to sit!)

We contacted Bobby to do some preliminary research and decide if we wanted to sell right away, or wait a few months. Unlike other successful realtors, Bobby contacted us back himself and came to our house personally.

He had a specific marketing plan ready to go and great partners at his office to take care of everything. Bobby knows his strengths and how to leverage those of his team. Kathy is superb and is a terrific assistant to Bobby. He brought Kathy to visit our home in person so she could better understand the property. This is another reason why he's #1.

We had a photographer scheduled within a couple days. Drone shots and a well-worded professional summary were on MLS, websites and social media.

The entire process was pretty seamless. Remember, there are always negotiations, concessions to buyers, and hurdles. Ours were minor and were property-related, not realtor-related.

Bobby worked tirelessly to help us get top dollar for our home and be confident in his ability throughout the process. We would definitely recommend him to others (and have) in the future.
