SCHOOL DAYS

In 2013, she was named the Region V Outstanding Career and Technical Education Administrator of the Year. The Association for Career and Technical Education of Arizona selected Shively for this award and recognized her at the ACTE Summer Conference for Career and Technical Education, held in Tucson.

She also was a finalist for that same ACTE award in 2015.

Shively previously served as treasurer of the Glendale Union Education Association (GUEA), the professional organization made up of members in the Glendale Union High School District.

Former grads can connect on online

Getting in touch with high school graduating classes and looking for information about upcoming class reunions is only a click away.

The Glendale Union High School District provides an online alumni contact form that allows graduates to get in contact with their former classmates. Personal information provided on the website will never be sold to a third party and only helps the district keep track of where its alumni go after they graduate from its schools. It also allows reunion organizers to reach out to classmates to tell them about planned events.

To fill out the online form, visit https://bit.ly/2TN7B5m.

Alumni also can stay up-to-date about what's happening at their former alma maters by following the school on Facebook. Last year every district high school launched its own Facebook page, including SunnyslopeHighSchoolAZ, ThunderbirdHighSchoolAZ and WashingtonHighSchoolAZ. Pages are updated regularly.

Governing Board honors employees

Glendale Union High School District honored 38 employees on May 1 at the annual 25-Year Employee and Retiree Recognition Reception. Of those recognized, 14 are current employees while 24 are retirees.

Those recognized included Michael Fenton, Lynn Murphy and Sheila Novak from Sunnyslope High School; and Dale Duncan of the district office. The 2018-2019 retirees included Rhonda Kiehn, William McClure and Lynn Murphy from Sunnyslope; Robert Falk, Chris Francis, Renee Kaye, Lauren Kelly, Anita Kratzer, Mitsuko Mehnert, Jeannie Paparella and Kim Woods from Thunderbird; Linda Dooling and Jose Romero-Lopez from Washington; and Trina Carricart, Maryellen Coburn, Brad Nassif and Lou Wiegand from the district office.

MADISON ELEMENTARY SCHOOL DISTRICT

Madison Park receives STEAM grant from SRP

Students across Arizona will explore how to use drones, virtual reality and energy-efficient architecture to learn more about math and science, thanks to Learning Grants from SRP.

The grant program, which awarded a record $147,855 to 33 schools, provides an opportunity for schools and teachers to develop projects and programs that improve student performance objectives in math, science and engineering.

Among the grant recipients was Madison Park Elementary, which received a grant of $4,710 for the
